

Engineers and Geoscientists BC's Sustainability Advisory
Group in partnership with the Vancouver and Peace River
Branches present:

**OPPORTUNITIES AND CHALLENGES FOR INTEGRATING
SUSTAINABILITY INTO PRACTICE – PANEL DISCUSSION**

May 25, 2022
12:00 PM – 1:30 PM
Webinar

Presenters will be guided through a moderated discussion focusing
on efforts underway across BC to support the just transition to a
lower carbon and resilient future.
